

Year 2 Mandarin Overview Term 2 2014

Unit Descriptions

This term, Year 2 students will learn about different types of vegetables. They will learn to express their like or dislike of given vegetables using vocabulary and sentence structures related to the subject. Various learning activities will be carried out in order to further develop the students' Mandarin skills in the areas of speaking, listening, character reading and writing. Relevant cultural information will be embedded in daily lessons in addition to regular linguistic practice.

Main vocabulary for vegetables

hú luó bo 胡萝卜	carrot
mǎ lí ngshǔ 马铃薯	potato
fā nǚ é 番茄	tomato
