## Position Objective

We believe every child has active rights and is capable of contributing to the community. The child is at the heart of the learning process. Teachers facilitate this learning through love, care and respect, creating an interactive and inspiring learning environment. A place where children are encouraged to take risks, to explore and to be in control of their own learning. We recognise children as unique individuals, celebrating their voice and interests, while making learning visible and meaningful through authentic documentation and collaboration with our community.

## Specific Responsibilities

### Professional Knowledge

Demonstrate, through discussion and practice, an understanding of:

- The subject matter to be covered in all key learning areas
- The use of a range of appropriate and innovative teaching practices to increase student learning outcomes
- The components of curriculum design
- The way in which the learning environment contributes to student outcomes
- The importance of thorough yet flexible planning and the clear documentation of such planning
- The importance of knowing each child in order to differentiate learning to meet the specific needs of each student

### Professional Practice

- Assessment and Reporting  
Demonstrate an understanding that the primary purpose of assessment is to support the achievement of all students by sharing knowledge about assessment with students, using a range and balance of informal and formal diagnostic, formative and summative assessment strategies and using assessment data
- Planning and Implementation  
Understand the principles of teaching for understanding, explicitly focusing on this by:
  - Demonstrating how students best learn
  - Supporting diversity
  - Utilising classroom management strategies

### Professional Engagement

- Participating in and contributing to the School's Professional Learning Community

- Understand the importance of continuing to learn about learning, with the aim of improving student achievement through improving professional practice
- Creating productive family partnerships
