Step Into an International School with Confidence

At the Australian International School Singapore, we celebrate over 50 nationalities, where children thrive in a multicultural, English-rich environment.

Unlock Academic and Social Success Through English Proficiency

We understand that for many high-potential students, developing strong English skills is key to thriving both academically and socially. It opens doors to achievement, friendships, and enriching school experiences.

Flexible Learning with Expert Support

The Foundational Academic English Program combines weekly live online lessons with expert teachers and 24/7 access to learning materials. It's ideal for students learning from anywhere in the world.

A Pathway to Classroom Success

Tailored for beginners, this program builds the skills needed for classroom learning and prepares students for entry into our full-time, on-campus Preparation Course for Secondary School (PCS) at the Australian International School.

Unique Benefits of the Foundational Academic English Program

- Accelerated Pathway to On-Campus Learning at AIS
- Builds language skills across English, Maths, Science, and Humanities
- Engaging, self-paced online learning with live, interactive English instruction
- Expert teachers with extensive experience in online education
- Smooth transition to the IB learning style and curriculum on campus
- Welcoming environment for beginners that fosters friendships and connection to campus life

Foundational Academic English

Expert guidance with the freedom to learn around your school schedule.

Why choose this?

- Learn essential content for success in international school while building English skills in reading, writing, listening, and speaking.
- Weekly teacher interactions for guidance and support.

How does it work?

- Access to 10 weeks of subject content with self-paced goals
- Live online classes: 2 weekday evenings + 1 Saturday
- Independent learning with progress tracking and teacher support

When do I graduate?

- To receive a teacher's recommendation, students must complete the 10-week course and demonstrate satisfactory achievement in English, Maths, Science, and Humanities
- If graduation criteria are not met, students may be invited to extend their enrolment for an additional 10 weeks
