# Admissions

---

We look forward to welcoming you to the Australian International School (AIS). Our Admissions process reflects our values of respect, opportunity and achievement and is designed to ensure the smoothest possible transition for your family. We offer enrolments subject to availability, throughout the year. Our aim is to make the admissions process a seamless, straightforward experience. We are here to help, so if you have any questions please contact the Admissions Department on +65 6517 0247, via email [admissions@ais.com.sg](mailto:admissions@ais.com.sg) or visit us at [www.ais.com.sg](http://www.ais.com.sg)

## Application Process

### Step 1:

Please speak to your Admissions Manager to find out how to apply or submit an application online at [www.ais.com.sg](http://www.ais.com.sg). Applications are considered in chronological order of receipt. Each applicant is reviewed individually and independently.

### Step 2:

Prospective students need to submit all required forms and documents online and pay a non-refundable Application Fee in order to be considered for admission.

### Step 3:

Once the required forms and documents have been submitted and the Application Fee has been received, the application will be reviewed.

### Step 4:

Once a place is offered, you will be asked to confirm your acceptance of the place by submitting the online student contract. You will then receive an invoice for the payment of Enrolment fees.

Prior to your child starting they may be invited to attend an Orientation Day, if they are due to start at the beginning of a term, or an enrolment meeting, should they start school mid-term.

## Wait List

If a place is not available at the time you wish to join, your child's name will be added to the waitlist and you will be notified as soon as a place is anticipated. Please notify the Admissions Department of any changes of address or other contact details or if your circumstances change.

## Sibling Priority

AIS aims to welcome all family members into our community. As such, our first admissions priority is given to families with children currently attending AIS. Acceptance into year levels with very limited places will be reserved for children with a sibling or multiple siblings already enrolled at AIS or with applications submitted. Siblings will also be given first priority should there be a wait list in their year level.

## Singapore Citizens/Singapore Passport Holders

Approval is required from the Ministry of Education (MOE) before a Singaporean applicant (6 years old and above) is allowed to attend classes at AIS. The application for approval from the MOE will be sent once

a place has been offered. Please note that Singaporean applicants to AIS who are 6 years old and above will be offered a place subject to MOE approval and no place will be reserved for the student until the approval has been granted by the MOE.

## Student Pass

The following students will require a Student Pass:

- Students whose parents are Permanent Residents of Singapore, but the student is not
- Students who are not eligible for a Dependant's Pass (for example step children)
- Where neither parent has an Employment Pass

AIS will register a child requiring a Student Pass with the Immigration and Checkpoints Authority (ICA) when a place is offered and parents will process the application from there. Please note that applicants to AIS requiring a Student Pass will be offered a place subject to Student Pass approval and no place will be reserved for the student until the pass has been issued by the ICA.

Student Pass holders can commence classes after the student ID has been issued. Student Pass holders must meet the minimum 90% monthly attendance requirements stipulated by the ICA.

Students remain enrolled in EAL support until they are proficient and no longer needing support.
