Lower Elementary CCA & Sport Schedule (P3, P4, Prep, Yr 1 - 2) Semester 1, 2024 (Term 1 & 2)

OUR PROGRAMS

The Sports and Co-Curricular Activities (CCA) program at AIS aims to provide opportunities for students to help enrich their educational experience, encourage the development of different skills, and meet and engage with new friends. Activities are led by our staff, some outside vendors and instructors, and professional coaches.

Full details of the programs are available on the Schools Online Communication System (SOCS) platform. This is a web-based sign-up application used for most activities with the school. Sign-up occurs at different times of the year and parents will be sent an email advising of when sign-up occurs. To sign up, please activate your SOCS account:

- Log onto SOCS: <u>https://www.socscms.com/login/28006/parent?activate=1</u>
- Enter your CONNECT email address and click ACTIVATE. An email will be sent from <u>NoReply@misocs.com</u> (please check your junk mail).
- Click the link from the MISOCS email and set a STRONG password (a weak or medium password will NOT allow you to activate your account). Available activities will appear for each child once the account is activated.
- We recommend using a laptop or desktop computer when accessing SOCS for the first time. You can add/remove activities once SOCS is open for registration.

DESCRIPTIONS

School CCA (Some charges may apply)

• The **School CCA** program is run by the teaching staff. Some activities attract a small charge and activities can change each Semester depending on demand, and to provide variety.

School Sports/Representative Sports/ACSIS (Free)

- School Sports are run within the school by teachers with coaching qualifications and some professional coaches.
- **Representative Sports** for Lower and Upper Elementary are run Semesterly. If a sport aligns with the ACSIS season (Athletic Conference of Singapore International Schools), we will enter the sport into the ACSIS competition according to the ACSIS timetable. Students will be assessed at the weekly training sessions and a Representative Team will be selected from the group. Selected students in the Representative Team must be committed to training and fixtures for the duration of the ACSIS season. If a student does not make the Representative Team, he/she will continue to train weekly until the end of the semesterly program.

Sharks Clubs (Paid activity)

• Sharks Club activities are run by external businesses with professional coaches and some AIS coaches, and occur on the AIS campus. These are paid activities available to all students and are run year-round. There are no try-outs.

External CCA Partner (Paid activity)

• External CCA Partner activities are run by external businesses who operate their programs on the AIS campus. These are paid activities and anyone can join. These may vary each Semester depending on demand, and to provide variety.
